Helping you set up and grow your business

2019

Expanding your business in Denmark

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our "Unlock Denmark" service aims to assure that you get professional support every step of the way to your new venture.

From finding the best location to setting up a branch or a subsidiary - we are fully committed to your success.

International expansion is an important step, and we know how to make it an easy one. With a dedicated international business advisor, who takes the time to understand your business and tailor the service to your specific needs, you can focus on making the right business decisions and efficiently manage the risks and maximise your potential on the new market thanks to professional and timely advice.

Our advisors can help you at every stage of your company's growth cycle – from starting-up, raising venture funding, listing on an exchange, acquiring or merging with another company, or using Denmark as a base to expand into other markets. Regardless of the challenge, we make sure that your business is ready for it.
