### Who we are

Grant Thornton Iceland was established in 1989 by Olafur G. Sigurdsson, Sigurdur Amundason and Theodór S. Sigurbergsson. We have been a member firm since 1997. We are led by three partners and there are 22 employees working in our office. Grant Thornton Iceland is one of the most prestigious accounting firms in Iceland and is ranked as the fifth largest firm. Our client base ranges from individuals and privately held companies to public interest entities like financial institutions and pension funds.

### Where we are

Our office is located in Reykjavik which is Iceland's capital. We are just five minutes away from Reykjavik town centre.

### How we work

We provide a tailored high quality service. Our partners and senior staff are focused on giving our clients as much attention as they need on a case by case basis. Our clients have direct access to our partners and senior staff.

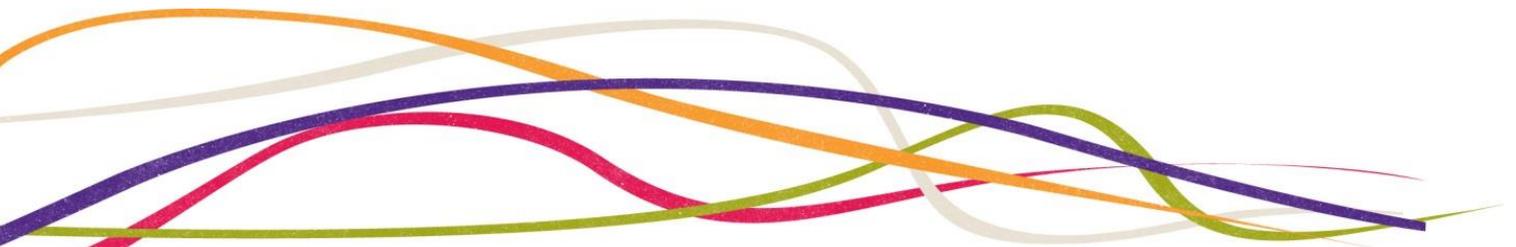

Our team of specialists are highly experienced and have excellent practice and educational backgrounds. We are committed to helping our employees to develop their careers and deepen their knowledge. We encourage our employees to seek more education.

### What we do

We provide a range of assurance and tax services which includes:

#### Assurance

- audits on financial statements (ISA compliant)
- reviews on financial statements and on interim financial statements (ISRE compliant)
- audits on other practice statements
- agreed upon procedures and compile financial information.

## Tax

We provide a range of tax services for individuals and complex entities

- corporate tax
- individual tax
- indirect taxes.

## Other services

We provide other outsourcing services, for examples

- accounting services  
outsourcing services (payroll services, book-keeping, invoice administration etc.).

We can help individuals and companies to find solutions regarding advisory services of any kind.

We have a large network of very competent professional advisers that we can assist our clients if we cannot directly provide the service.

## Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
